

Chairman's report to PC on 09/4/25

The VHMC met on March 26th

The annex roof has been insulated and repaired; the garage roof and doors have been repaired.

A sound system is to be purchased for the V.H. funded by the Produce Show.

Water heaters have been installed in all the toilets, funded very generously by the Produce Show and The Mardlers

All groups except one have been inspected and passed for food hygiene in the V.H.. Kitchen inspections are needed for those producing cakes etc at home.

Garden Guardian has started mowing the play areas.

V. H. rental rates were reviewed and in view of the competitive rates elsewhere have been left as they are, except for the corporate rate which increases by £1 /hour

No organisation is planning an event for VE day.

The next meeting is on June 18th which incorporates the AGM. All are welcome
